OFFICIAL ANNOUNCEMENT

NACTVET Examination Results – 2nd Semester 2025/2026

Published: October 24, 2026 at 00:00 | **Reference:** ACOHAS/ANN/6/2026

> ***Summary:*** *The College is pleased to announce the release of the NACTVET examination results for the 2025/2026 academic year. Students are encouraged to check their results and carefully review their academic performance.*

The College is pleased to inform all students that the NACTVET examination results for the 2025/2026 academic year have been officially received and are now available for students to access.

Students are advised to check their results carefully and take note of their individual academic performance. For students who have performed well, we congratulate you on your achievement and encourage you to continue working hard as you progress in your studies.

For students whose results are not as expected, do not be discouraged. One examination result does not define your ability, potential, or future. We encourage you to reflect on your performance, seek academic guidance where necessary, and remain focused on your educational goals.

Students are advised to follow the College's official instructions regarding access to the results and any further academic procedures that may follow.

We congratulate all students on completing this stage of their academic journey and wish you continued success in your studies and the upcoming semesters
